NEW WINDY COLLECTION

The Windy corner sofa is a perfect choice for those who expect more from their lounge furniture. Its modular design allows you to create a layout perfectly suited to your space, while refined details emphasize the modern character of the collection.

A deep seat (60 cm), high-quality foam, and sinuous springs guarantee high comfort during everyday use. Thanks to the electric seat extension, you can adjust the seat depth and find your favorite relaxing position.

The collection also includes a functional box with an oak or beech top, equipped with an inductive charger and LED light – a practical solution that enhances comfort and organizes the space around the corner sofa.

High backrests with upholstery straps and polyurethane foam provide ergonomic support, and the elegant design makes Windy a natural centerpiece in the living room.

Modular design

COLLECTION WINDY

Electric seat extension – allows for smooth depth adjustment, allowing you to tailor the corner sofa to your needs: from everyday sitting to complete relaxation in a reclining position.

Modular design – allows you to create a configuration perfectly suited to the layout of your living room, both in spacious interiors and smaller spaces requiring custom solutions.

Box with an oak or beech top – a practical space between modules that serves as an additional table and a tidy area near the corner sofa.

Inductive charger – conveniently charges your phone without cables, always at hand.

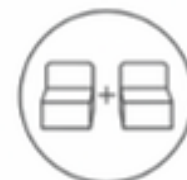

LED lamp – subtle, functional lighting, perfect for evening reading or creating a cozy atmosphere.

Deep seat (60 cm) – guarantees high comfort, allowing you to comfortably adjust to any position.

COLLECTION GINO

GINO – comfort, functionality, and a refined design

GINO is a modern piece of furniture designed with everyday comfort and practical use in mind. Its design combines high-quality materials with solutions that enhance the furniture's ergonomics and durability. Seating comfort is provided by a combination of polyurethane foam, high-resilience foam, and sinuous springs. This allows GINO to offer stable, resilient, and comfortable support both during sitting and extended relaxation.

This model is available in a wide range of fabrics, with select patterns and leathers. The high backrests are made of polyurethane foam and resilient non-woven fabric, ensuring optimal back support. An additional advantage is the LEOPARD sleeper function, which allows for convenient and quick unfolding, ideal for everyday use or occasional overnight guests.

COLLECTION GINO

GINO is also available with a practical 9/13/18 cm side, allowing you to customize the piece to suit your living room size and preferred look. Its simple, timeless lines and tasteful finishes make GINO a perfect fit for both modern and more classic interiors.

Advantages

LEOPARD sleeping function available

Side width options: 9/13/18 cm

Easy to use sleeping function

Ergonomic backrests with increased resilience

Solid construction using high-quality foam

COLLECTION DREAM

The Dream sofa is a perfect choice for those who value modern design, comfort, and functionality all in one. Its modular design allows for a variety of layouts to suit your space.

Its sleek lines and elegant form make the Dream a perfect addition to modern living rooms, lending them a unique character. Equipped with a large DL sleeper and storage, the Dream sofa combines the comfort of everyday relaxation with practical features.

The deep seat (60–86 cm) and soft backrest cushions with silicone-foam filling guarantee the highest comfort both during the day and at night.

COLLECTION DREAM

Comfort you can feel from the first use

The seat is made from a combination of wave springs, high-resilience foam, and polyurethane foam, providing stable, resilient support and high comfort for everyday use.

The backrest is a combination of polyurethane foam, wave springs, and cushions filled with a silicone-foam mixture, providing soft, ergonomic support that adapts to your body shape.

This model is equipped with a 3DL sleep function, allowing you to quickly and conveniently transform the furniture into an additional place for a night's rest.

COLLECTION MISTY

The Misty corner sofa is a modular premium piece of furniture with an electric seat extension, a movable headrest and a modern design – created for comfortable relaxation.

1. Premium Modularity Misty is a modular corner sofa that can be configured in many ways. It allows you to adapt the furniture to various spaces – from small living rooms to large, open-plan living areas. Ideal for customers who want to create a piece of furniture that suits them.
2. Electric Extendable Seat A significant competitive advantage – the mechanism allows you to quickly transition from a sitting to a lying position. Intuitive operation: simply plug the sofa into a power outlet. Effortless Comfort – no need to get up to adjust the seat depth.
3. Adjustable Headrests Provide cervical support. Adapts to the user's position – ideal for reading, watching TV, and relaxing.
4. High-End Comfort Seats filled with high-resilience foam and sinuous springs ensure resilience and durability. The furniture does not sag and remains comfortable even with intensive use.
5. Solid, durable construction The softwood and hardwood frame guarantees long-lasting stability. Matte black metal legs add elegance and a touch of lightness.
6. Versatile collection This model is available in several configurations – corner sofas, sofas, and modular sets. It allows you to design your entire interior cohesively and harmoniously.

COLLECTION ERIS

The Eris Collection – modern, modular sofas and sectionals that will fit your interior and lifestyle. Choose comfort with adjustable headrests and electric seat extension to create the perfect relaxation zone.

Modularity to Suit Any Interior

The Eris collection was designed with flexibility in mind. Thanks to its modular design, you can create a configuration perfectly suited to your interior – a U-shaped or L-shaped corner sofa, or a classic sofa. Furniture from this collection is perfect for both spacious living rooms and smaller apartments, where every inch counts.

Smart Comfort

Eris offers modern solutions that enhance everyday comfort. The electric seat extension allows you to change the position with a single button, without having to get up. Additionally, adjustable headrests allow for individual head and neck support – regardless of your height or preferred relaxation position.

Modern Design with Refined Details

Sofas and corner sofas from the Eris collection attract attention with their elegant, yet minimalist appearance. Decorative tufting, high metal legs, and carefully selected details make the furniture look great in modern interiors – both more austere and warmer, with a homely feel.

COLLECTION HAMPTON

The Eris Collection – modern, modular sofas and sectionals that will fit your interior and lifestyle. Choose comfort with adjustable headrests and electric seat extension to create the perfect relaxation zone.

COLLECTION HAMPTON

A comfortable classic with an elegant twist

This is the perfect choice for those seeking timeless style combined with the highest level of comfort. Subtle elegance, soft lines, and meticulous finishing make this series a perfect fit for classic-inspired interiors, as well as modern coziness. This is a great option for those who value quality, comfort, and the ability to customize their furniture to their individual needs.

Modularity

Hampton is a modular collection, meaning you can create a layout tailored to your living room. A corner sofa, a sofa with a chaise longue, or perhaps a classic three-seater sofa? The possibilities are virtually endless.

Relaxation Function

Some modules in the Hampton collection can be equipped with a relaxation function, allowing you to adjust the position of the backrest and footrest with a single button. No need to get up, no effort – the perfect solution for those who want to relax in complete comfort.

Stylish, Classic Aesthetics

Hampton furniture is distinguished by its timeless design – elegant stitching, subtle details, and harmonious proportions give the interior a warm, luxurious character. It's the perfect choice for classy living rooms.

COLLECTION BARCELONA

A comfortable classic with an elegant twist

This is the perfect choice for those seeking timeless style combined with the highest level of comfort. Subtle elegance, soft lines, and meticulous finishing make this series a perfect fit for classic-inspired interiors, as well as modern coziness. This is a great option for those who value quality, comfort, and the ability to customize their furniture to their individual needs.

KComfort that adapts to you

Barcelona is a collection designed for flexible relaxation. Adjustable, movable backrests allow you to quickly expand your relaxation area, while adjustable headrests provide comfortable head and neck support in any position. Whether you're sitting, lying down, or relaxing after a long day, Barcelona will ensure your comfort.

Choices That Matter

The collection offers two seat options – more resilient or extra soft. This allows you to decide which comfort level best suits your needs. Additionally, you can choose from three side panel options, allowing you to perfectly match the look and function of the furniture to your interior style and room size.

Everyday Practicality

Barcelona is not just about design and comfort – it also offers functional solutions. The built-in sleeper function makes this corner sofa or sofa perfect for overnight stays. An additional bedding compartment allows you to keep things organized without sacrificing aesthetics.

COLLECTION AMBRA

The Ambra collection features modern corner sofas and modular sofas designed for smaller spaces. It's the perfect solution for those seeking compact lounge furniture that combines minimalist design, a large sleeping function, and practical storage compartments. Ambra proves that less is more – simple form, functionality, and comfort are the hallmarks that make it an excellent choice for city apartments and compact living rooms.

Funkcja spania i pojemnik – komfort i praktyczność w jednym

Wbudowana, duża funkcja spania pozwala w szybki i wygodny sposób przekształcić narożnik lub sofę w pełnowymiarowe łóżko – idealne zarówno do regularnego wypoczynku, jak i okazjonalnego noclegu dla gości. Dodatkowo meble wyposażone są w pojemnik na pościel, który pomieści koce, poduszki czy inne akcesoria, pomagając utrzymać porządek w salonie.

Modułowość, która daje pełną swobodę aranżacji

Dzięki konstrukcji modułowej kolekcja Ambra pozwala na zaprojektowanie układu idealnie dopasowanego do wnętrza – zarówno w dużym salonie, jak i w mniejszym pokoju dziennym. Szeroka gama dostępnych modułów w różnych wymiarach sprawia, że możesz samodzielnie stworzyć narożnik lub sofę, które odpowiadają nie tylko rozkładowi pomieszczenia, ale także Twojemu stylowi życia.

Nowoczesny minimalizm w eleganckim wydaniu

To kolekcja, która świetnie odnajduje się w minimalistycznych i współczesnych wnętrzach – nie dominuje przestrzeni, a jednocześnie wnosi do niej poczucie ładu i elegancji. Dzięki temu Ambra sprawdzi się zarówno w przytulnych mieszkaniach, jak i przestronnych, stylowych salonach.

COLLECTION TALISMAN

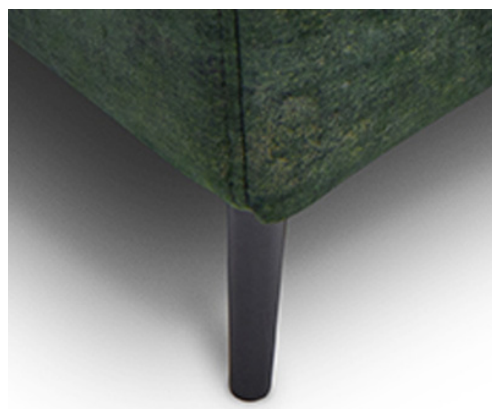

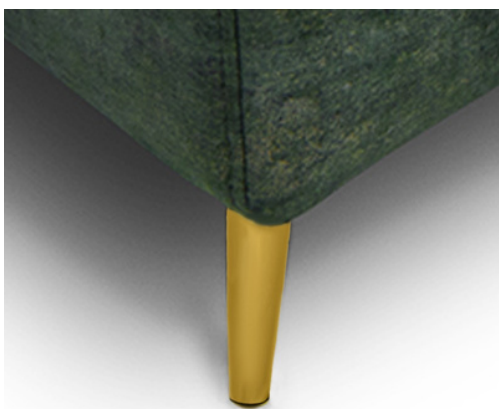

Talisman is a collection of elegant modular furniture designed for those seeking a modern corner sofa or sofa with a sleeping and relaxation function, and the ability to configure it to suit their needs. Its simple, refined form and refined details make Talisman a perfect fit for minimalist yet stylish interiors.

Modularity that Gives You Freedom Talisman is a collection designed to flexibly adapt to various spaces and the needs of your household. Regardless of the square footage or layout of your living room, you can easily create a piece of furniture that perfectly complements your interior.

Comfortable relaxation for everyday and special occasions The Talisman collection features a practical relaxation function that allows you to find a comfortable position for reading, watching movies, or simply relaxing. Additionally, the furniture features a DELPHIN sleeping function – with just a few simple movements, you can unfold the sofa or corner sofa and create a full-size, comfortable place to sleep.

Stylish details that enhance the character of your interior Talisman combines modern comfort with aesthetics meticulously crafted. The furniture is available with metal legs in two color options, allowing you to better match the look of the structure to your interior style – whether modern, industrial, or more subdued.

COLLECTION SEMPRE

Sempre – modular sofas and corner sofas with electric extension

The Sempre collection offers modern modular furniture designed for maximum comfort and customization. The corner sofas and sofas from this series were awarded the Gold Medal at the Meble Polska Furniture Fair – a testament to their functionality, comfort, and refined design.

Modularity and Adaptability

Sempre is a collection that can be easily adapted to the layout and size of your room. You can create a left- or right-handed corner sofa, or even a classic sofa – depending on your needs and available space. The modular design allows you to adapt the furniture to both larger living rooms and more compact apartments, providing complete design flexibility.

Comfort with Modern Features

The Sempre collection features an electric sleep function that allows for quick and convenient unfolding of the sofa with the touch of a button. This practical solution is perfect for everyday use as well as for visiting guests. Adjustable headrests further enhance comfort, allowing you to individually adjust the backrest to your favorite sitting or relaxing position.

A Thoughtful Design for Smaller Spaces

Sempre furniture is distinguished by its compact, visually light form, perfect for small interiors. The slim shape doesn't overwhelm the space, yet offers the full functionality of large lounge systems. It's the perfect solution for those seeking modern design that goes hand in hand with practical use of space.
